

Dario Frigerio

CEO, Pioneer Investments

Dario Frigerio is the Chief Executive Officer of Pioneer Global Asset Management S.p.A. and the Head of the Wealth Management Division of UniCredito Italiano. This position includes focusing on the strategic planning, risk management, compliance and audit areas within Pioneer Global Asset Management S.p.A.

Following the acquisition by UniCredito Italiano of the Boston based Pioneer Group, Inc in October 2000, Dario Frigerio was appointed Chief Executive Officer of Pioneer Investment Management Limited. Dario moved to the top of the group from his role as CIO of Europlus (now Pioneer Investments), which he had held since 2000, successfully coordinating equity, bond, balanced and research teams to bring about the optimal performance, which has steered Pioneer Investments to become one of the largest asset management companies in Europe.

In 1997, Dario became Chief Investment Officer with CreditRolo Gestioni (now Pioneer Investments), the first asset management company of the UniCredito Group, before moving to Dublin in 1998 to start the internationalisation of the asset management division. His previous role had been as Head of Fixed Income in Credito Italiano's asset management division (1995). He began his career in 1988 with Credito Italiano as an analyst, quickly moving to domestic and international treasury management in 1989 and finally leading the proprietary portfolio in 1991, reporting directly to the CFO of the bank. Dario is a graduate in Economics from the Bocconi University, Milan, which he attained in 1986.

In addition to his current roles, Dario Frigerio holds various directorships within the UniCredito Italiano Banking Group.
