

Marco Pirondini

Global CIO, Pioneer Investments

Marco Pirondini was appointed Global Chief Investment Officer of Pioneer Global Asset Management S.p.A in December 2004. In this role, he co-ordinates the Heads of Investment for Equity and Fixed Income, to ensure a co-operative, synergistic approach to fund management, research and communication. Prior to this he was the Head of Global Equity Research at Pioneer Investments.

Marco began his career with Credito Italiano and in 1993 he moved into the Asset Management division to assume the role of Balanced Portfolio Analyst. Two years later he began to manage portfolios and was promoted to head the Italian Equities desk in 1996. Marco moved to Dublin with the company in 1998 when UniCredito Italiano moved its investment division to Dublin. His strong equity background led to his appointment as Head of the Equity Research department in 1999. Marco graduated from the Università L. Bocconi, Milan, Italy with a BA in Economics in 1990. He also holds an MA in Finance from the same university.
